YOUR CAREGIVER TEAM

DOROTHEA HARRIS, MSW, LICSW is a licensed social worker who has both professional and personal experience with Alzheimer's. She has worked for many years with families and her undying professional commitment to the community allows her to advocate for clients on levels that foster true compassion.

VALORIE JONES, MSW, LSW is a licensed social worker who has over 25 years of professional and personal experience advocating, and providing resources and culturally responsive services to address the needs of multicultural families. Her passion is to empower and strengthen a caregivers' capacity to provide, manage, and cope with caring for others while preserving their own health and well-being.

This program is funded through a grant from the Metropolitan Area Agency on Aging as a part of the federal Older Americans Act. Your contributions to Caregiver Support Services are always welcome so that we may extend these services to as many people as possible.

PARTICIPANTS

Caregivers who are an adult family member or informal provider of in-home and community care to an elder 60+ or an elder with Alzheimer's disease or a related disorder.

FEES

Caregiver services are available with limited funding support under Title- III-E of the Older Americans Act. Contributions are also encouraged and suggested to stretch the federal funds. No caregiver is denied services based on an inability to pay.

RESPIRE

Caregivers can use available respite services to help themselves avoid becoming exhausted and overwhelmed with the continued demands of caregiving responsibilities.

EVERYDAY CARE

Provides caregivers with information on available community resources, support for identifying solutions and assistance to better manage your life.

ALZHEIMER'S CONSULTING

Caring for a loved one with Alzheimer's can be stressful. Our caregiver consultants can help you develop a customized action plan that reduces stress while maximizing your support network.

CAREGIVER SUPPORT GROUP

This group offers an African-American culturally-specific environment for caregivers to share and support one another. Monthly topics and guest speakers keep conversations new and interesting.
