

Communication to Families 3/16/2020

Hello VOA Families!

By now you are aware that MPS will be closed starting tomorrow, Tuesday, March 17th. This means VOA High School is also closed. Students are to work, from home, on their Odysseyware assignments and any "in-progress" quarter three work for the next 8 days.

If your child is not sure what they are to be working on, please call the school at 612-375-0700, we will make sure you are contacted by your child's teacher.

No new work is being assigned at this time! All Quarter 3 work that has been previously assigned, either online or on paper, will be due by Thursday, March 26th. There will be a drop box for paperwork in the lobby at the high school.

Starting tomorrow, someone will be staffing our front desk from 9am - 2pm, M - F. Please call with questions or concerns and only drop off finished schoolwork during these hours.

Spring Break will be from March 30th - April 3rd. We will communicate with you about Quarter 4 plans as soon as we have more information from the state and MPS, our contracting district.

Look for the COVID-19 link on the VOA High School website: www.voamnwi.org/voa-high-school. We will be adding helpful information as we go, including resources for our families during this out-of-school time. MPS also has helpful information for families on their website.

We promise to do our best to communicate everything we know, answer your questions, stay in touch with students and provide them with rigorous work for quarter 4 that will move them toward their diploma. We value our VOA HS families! Be well and know we look forward to being at school together at a future date, when we can do it safely!
