

Lill's Angels Support Group

African American culturally specific Memory Loss Support Group

Benefits

- Learn the facts about memory loss, dementia and Alzheimer's disease
- Connect with community resources
- Share experiences and concerns with other caregivers
- Identify solutions to difficult behaviors and other problems
- Gain insights and feedback from other caregivers
- Relevant monthly topics and guest speakers/experts

To RSVP or for questions please call Dorothea Harris at 952-945-4175.

Dorothea Harris, MSW, LICSW, is a Family Memory Care Consultant who has both professional and personal experiences with Alzheimer's. She has worked for many years with families and her undying professional commitment to the community allows her to advocate for clients on levels that foster true compassion.

Ellen Johnson is an experienced caregiver advocate who cared for her mother, who was diagnosed with Alzheimer's disease, at home for 10 years. For many years, she has worked with families who have suffered with memory loss, dementia and Alzheimer's disease.
