### **SCHOOL VISION:**

Providing Outdoor Education, Service Learning, AP Programming in a rigorous, relevant environment.

**SCHOOL PROGRAM DESCRIPTION** (*i.e. Program model, instructional strategies, unique characteristics, curriculum - limit two pages*):

#### **Program Model:**

Our school program is founded on a comprehensive model that prioritizes individualized learning experiences. We believe in tailoring education to meet the unique needs of each student. This involves a blend of diverse instructional approaches, support systems, and specialized interventions. The TrekNorth Learning Program is anchored in an Advanced Placement/Pre-Advanced Placement Program and driven with a vertical-teaming approach. Goals for the learning program include raising AP Exam scores, improved performance on the MCAs and college-entrance exams, and a higher rate of TrekNorth graduates enrolling in post-secondary academic institutions. The Advanced Placement Program is based on a foundation of high expectations. The basic premise is that all students, regardless of ethnic background or socio-economic status, can succeed in an environment of high expectations and academic rigor. The majority of TrekNorth students receive school lunch for free or at a reduced rate, and many of them, if they were to go to college, would be the first in their family to do so.

In order for the TrekNorth Advanced Placement Program to be successful, the staff has had to fully commit to the tenets, structure and rigor of Advanced Placement. The demonstration of this dedication will result not only

in enhanced performance on national AP Exams but also in the creation of a structured and documented Pre-AP/AP curriculum. This curriculum will function akin to a vertical ladder, allowing students to advance through content, skill development, and critical thinking processes as they move upward. We offer a wide variety of AP classes in all subjects with the exception of music in hopes that each student will find success in one or more AP settings.

TrekNorth students come to us in 6th grade from multiple different districts. According to the 2023 MDE school report card, the demographic we serve comprises 61.8% Free and Reduced, 49.8% American Indian, 4.2% two or more or other ethnicities, and 30.9% with special education needs. Additionally, a significant portion of our population faces or has been exposed to trauma. Recognizing this, we realized the imperative need to establish a more extensive support system for our students. Our goal is to assist them in achieving academic success and preparing them for robust post-secondary opportunities.

### **Unique Characteristics:**

Our program stands on two additional pillars: the Service Learning Program and the Outdoor Adventure Program. The Service Learning Program's objective is to foster socially aware individuals by offering students opportunities to engage in volunteer work within various communities. It has established guidelines and experiences that actively promote this mission among our student body. TrekNorth's Service Learning Program provides students with social justice immersion experiences in Illinois, Texas, West Virginia, and Minnesota. TrekNorth is continually researching new agencies to partner with to expand our experiential education program. On the other hand, the Outdoor Adventure Program aims to instill confidence, leadership, and integrity in students by providing challenging and educational experiences in a wilderness environment. TrekNorth offers instruction and experiences in backpacking, canoeing, and winter skills. TrekNorth provides experiences at local wilderness areas, such as the Mississippi River, Boundary Waters Canoe Area, Superior Hiking Trail and various state parks. TrekNorth also offers advanced experiences in the Porcupine Mountains and Black Hills areas. TrekNorth partners with various centers (Long Lake Conservation Center, Deep Portage) to provide large group experiences for middle school grade levels.

### **Instructional Strategies:**

The instructional strategies employed encompass a varied mix, including but not limited to project-based learning, collaborative group work, experiential learning, and personalized instruction. Our aim is to engage students actively, fostering critical thinking, creativity, and practical application of knowledge.

Our practices are rooted in research-backed methodologies and pedagogical approaches that have proven successful in enhancing student learning outcomes. These include differentiated instruction, ongoing assessment and feedback, fostering a growth mindset, and promoting socio-emotional learning alongside academics.

Our commitment to small class sizes allows for personalized attention, facilitating better understanding, individualized support, and a more tailored educational experience for each student.

We have a dedicated intervention team comprising skilled professionals who specialize in identifying and supporting students who may require additional assistance. This team collaborates closely with teachers and families to create personalized intervention plans, ensuring that every student receives the necessary support to thrive academically and socially.

Our program is designed not just to educate but to empower students, fostering their growth academically, socially, and emotionally, preparing them effectively for future endeavors.

TrekNorth employs a special education director and five special education teachers. TrekNorth offers a comprehensive range of services by providing tailored instruction aligned with the specific needs identified in each student's Individualized Education Program (IEP). These services are structured based on the goals set by the IEP team for each disability area. The academic programs at the school are adapted and enhanced by a collaborative effort among general education and special education teachers. They oversee the progress of goals and objectives outlined in the IEPs and ensure coordinated services for students in special education.

Moreover, in compliance with state regulations, the school maintains a Special Education Advisory Council (SEAC) to further support and guide its special education initiatives.

## **DESCRIPTION OF SERVICE-LEARNING PROGRAM:**

TrekNorth's service-learning program aims to foster robust social-emotional skills among students while contributing valuable service in multiple locations. Beyond the Bemidji area, TrekNorth has provided experiences in Chicago, Illinois; Pharr, Texas; Pine Ridge, South Dakota; New Orleans, Louisiana; and Spencer, West Virginia. TrekNorth students learn about social justice issues while also volunteering in various settings, including homeless shelters, soup kitchens, food banks, inner-city schools, immigration centers, to name a few. Students engage progressively throughout their academic journey within the service learning program. Specifically, students in middle school grades participate in in-school activities, and their involvement intensifies for students in grades 9 through 12 as they engage in both local service experiences and extended service immersion trips. These experiences often result in students developing a profound sense of connection to both local and global communities.

## **DESCRIPTION OF SCHOOL TRANSPORTATION PLAN:**

TrekNorth uses Independent School District #31 for transportation of students to and from school and some local school activities.

## **DESCRIPTION OF SCHOOL FACILITY PLAN:**

TrekNorth is located in a refurbished 21,000-square-foot building, strategically located three blocks east of its original location. Compared to TrekNorth's original location (2003-Spring 2013), TrekNorth's current site includes numerous enhancements, such as a multipurpose commons area, over three acres of green space, upgraded classroom facilities, improved science facilities, enhanced storage options, and an overall facility design better suited to accommodate the TrekNorth program and ensure student safety.

**FUTURE PLANS:** *(Describe if the school anticipates wanting to add additional sites, grades, or move during the contract term)*

Our current facility has served us well, but as our student demographics have changed over the years, we find ourselves in need of more space to ensure an optimal learning environment. We're at a point where we've outgrown our existing infrastructure, necessitating an expansion to meet the evolving needs of our diverse student demographics. Working closely with architects, we're in the process of designing a new layout that not only accommodates our changing demographics but also aligns with the specific needs of our students. This collaboration aims to create a space that fosters an inclusive and conducive learning environment for all.

The plan is to finalize the purchase of our current facility by August 2024. This acquisition marks a significant step toward our goal of expanding and enhancing our premises. Once secured, we'll promptly initiate the necessary steps to expand the current building, ensuring that our physical space aligns seamlessly with our educational objectives, allowing us to better serve the needs of our students now and in the future.

### FINANCIAL MANAGEMENT AND BUDGET:

*The Board will have a standing Budget and Finance Committee which will be tasked with ensuring the school's financial plans are prepared for launch. The school's fiscal year will run from July through June each year, and the final budget will be approved no later than the June Board meeting annually. Budgets will be designed to yield positive net income each year to strengthen the school's fund balance. (three year projected inserted below)*

#### Introduction

As a leading authorizer, Volunteers of America–Minnesota builds its portfolio of high-performing charter schools by only selecting proposals with a strong potential for success. It then ensures that such potential is realized through a unique system of accountability that begins even before a school opens its doors.

VOA-MN is committed to fulfilling its role as a charter school authorizer by holding its schools accountable for a range of results. The accountability system presented in this document ensures that VOA-MN will uphold its legal obligation to make sure the schools it authorizes are reaching (or making adequate progress toward) the goals and benchmarks outlined in its charter contract and Minnesota statute.

VOA-MN uses a standard charter contract with unique school-specific terms that capture different approaches to achieving student success. The individuality of each school will be preserved in the “Academic Program Description” addendum to the charter contract.

#### Volunteers of America of Minnesota Accountability Plan

According to Minnesota Statute § 124E.01, subd.1, *The primary purpose of charter schools is to improve all pupil learning and all student achievement.* VOA-MN holds the schools it authorizes accountable in five major areas: academic

performance, fiscal management, board governance, management and operations, and legal compliance. Each area may have multiple indicators of success and the charter school's performance on each indicator will be rated as:

- Does Not Meet Standard
- Partially Meets Standard
- Meets Standard

**Rating Scale: For each standard, a school earns points for contract renewal as follows:**

- 0 = Does Not Meet Standard
- 1 = Partially Meets Standard
- 2 = Meets Standard

**Weighting of Performance Measures used during the contract renewal process is as follows:**

- 50% weighting: Academic Program (statutory purposes, including primary purpose)
- 20% weighting: Financial Sustainability
- 30% weighting: Organization
  - 15% governance
  - 15% management & compliance

**Combining Data Over the Contract Term**

Annual school performance results will be combined each successive year of the contract term wherever possible so that fluctuation due to small group size will be minimized and overall performance is accurately reflected.

**Contract Renewal Eligibility**

VOA-MN schools must achieve at least a Satisfactory Rating (70% of points possible) in the Performance Framework overall and meet the majority of standards in each performance area (Academic, Financial, Organizational Performance) to be eligible for a three-year contract renewal and at least an Exemplary Rating (80% of points possible) in the Performance Framework overall and meet the majority of standards in each performance area to be eligible for a five-year contract renewal. All contract renewals will be for either three or five years. Fewer than three years does not provide enough information on which to make a renewal decision.

Progress meeting VOA-MN Standards is monitored and communicated to schools annually through the school Formal Site Visit Reports and three VOA-MN Charter School Network Reports (academic, finance, governance) and the school specific Annual Scorecards. Renewal contract length is based on an average of school's performance over the term of the contract. Renewal decisions for a three-year or five-year contract term will be based on two and four fiscal years of data respectively.

If a school is performing below standard to receive a three-year renewal contract but has agreed to the authorizer terms and conditions set forth in the School Improvement Plan to correct areas of deficiency, VOA-MN may agree to extend a school's contract (not to exceed five years) to provide additional time for a school to improve performance as an alternative to termination. If sufficient school improvement is not being made by the end of the 1st year of the extension, termination proceedings will commence.

The following is an example of a five-year contract term renewal calculation:

ANNUAL AND CONTRACT RENEWAL CALCULATIONS TABLE					
	YR 1 Rating	YR 2 Rating	YR 3 Rating	YR 4 Rating	Average Rating
<b>ACADEMIC (50%)</b>	%				
<b>FINANCE (20%)</b>	%				
<b>ORGANIZATION (30%)</b>					
BOARD GOVERNANCE (15%)					
MANAGEMENT OPERATIONS (15%)					
<b>TOTAL</b>					

CUMULATIVE TOTAL AVERAGE	
--------------------------	--

**Intervention and Corrective Action**

VOA-MN schools that, prior to their year of contract renewal, fall below a Satisfactory Rating in the Performance Framework overall and/or in any performance area (Academic, Finance, Governance, Management/Operations) must enter into a School Improvement Plan that addresses the specific standards in the Performance Framework where the school performance is below Satisfactory.

**Closure Plan**

If the school does not meet the terms of the School Improvement Plan and attain a Satisfactory Rating by the end of the contract term, the school is a candidate for nonrenewal. If the school’s contract is not renewed, the school must implement the Closure Plan as described in the school’s charter contract.

**Three essential questions guide our VOA-MN authorizer oversight and charter school accountability plan.**

- **ACADEMIC PROGRAM PERFORMANCE - Is the school’s Learning Program a Success?**

**Academic Performance-** All public schools, including charters, must fully participate in the state assessments - Minnesota Comprehensive Assessments. Data from state assessments as well as Title 1 Designation consistent with the state North Star system will be compiled and evaluated in the Annual VOA-MN Authorized Charter Schools Academic Performance Report by the authorizer. Charter schools are required to meet the academic performance standards for which they agree to be held accountable in their charter contract. The extent to which a school is meeting their Comprehensive Achievement and Civic Readiness requirements, and additional statutory purposes are also measured in the Learning program section.

**The VOA-MN Charter School Authorizing Program publishes annually an Academic Performance Report on their network of authorized charter schools.** The report serves as a single annual source of academic program and performance information for all of our VOA-MN operational charter schools. The report contains an analysis of annual and cumulative academic program, performance, and professional development data for each school.

Content from the annual Academic Performance Report also serves as the basis for the school academic performance analysis contained in the statutorily required Contract Renewal Evaluation Reports, including evaluation of the extent to which the school has met their primary purpose, “to improve the learning, achievement, and success of all students” during the contract term.

The VOA-MN determined academic performance standards contained below are uniform for all VOA-MN charter schools. The standards are contained in VOA-MN Charter Contract Addendum B (School Accountability and Authorizer Oversight System) and serve as the basis for both annual authorizer monitoring of school academic performance and contract renewal determinations. *The authorizer reserves the right to have flexibility to reasonably amend these standards /expectations as needed (example: based on cell size being to small).*

**VOA-MN’s academic performance standards/expectations include the following:**

Academic Standard 1 - Students are performing well on state examinations in comparison to students at schools they might otherwise attend (with similar demographics) as evidence of meeting their primary statutory purpose of improving the learning, achievement, and success of all students. • **FINANCIAL SUSTAINABILITY – Does the School Exhibit Strong Financial Health?**

Charter schools receive public funds and must meet generally accepted standards of fiscal management. It is VOA-MN's duty to ensure that the schools are responsible stewards of public funds. The charter school shall provide VOA with a copy of its draft and final annual budgets and monthly cash flow projections for each fiscal year by July 1 of each fiscal year. VOA-MN shall use submitted budget and cash flow statements, along with any other relevant information, to determine if the charter school has a realistic balanced budget plan for the current year. VOA-MN shall use the financial statements presented in the charter school's annual financial audit, along with any other relevant information, to determine if the charter school maintained a balanced budget during the prior-year. Schools are expected to have audits that are free of all findings.

**The VOA-MN Charter School Authorizing Program publishes annually a School Financial Oversight Report on their network of authorized charter schools.** The parties acknowledge that the Minnesota Charter Schools Law requires a charter school to meet generally accepted standards of fiscal management. ## **SCHOOL BOARD GOVERNANCE & OPERATIONS - Is the organization effective and well run?**

- SCHOOL BOARD GOVERNANCE
- SCHOOL MANAGEMENT AND OPERATIONS

## • **SCHOOL BOARD GOVERNANCE**

Effective board governance is essential to the successful start-up and operation of a public charter school. The diversity of charter school board memberships – teachers, parents, community leaders, and volunteers – heightens the importance of consistent expectations and development activities.

The authorizer regularly monitors the performance quality of the school board based on authorizer observations; interviews with the director, board and faculty; and the review of school policies, reports and board meeting minutes. A school must have a governance model that provides quality oversight by ensuring that there are checks and balances between the board and the school administrators.

A school board is responsible for developing, implementing, and assessing policy; defining sound employee relations; conducting open meetings; recognizing and conforming to the legal mandates imposed by state and federal laws; and governing within the limits of a delegation of state authority – as a nonprofit and public-school board. Additionally, the board has an obligation to assess its successes and failures; inform the public of all deliberations and decisions; promote accountability; enhance public understanding of its mission; conform to standards of ethical behavior; provide a framework for setting goals; and develop strategic plans for the accomplishment of those goals.

**The VOA-MN Charter School Authorizing Program publishes annually a School Board Governance Report on their network of authorized charter schools.** The purpose of this report is to be a single annual source on the board operations and compliance of the eighteen VOA-MN- authorized charter schools. ## **ONGOING AUTHORIZER SCHOOL MONITORING**

### **SITE VISITS**

One of the most important ways VOA-MN gathers information about the schools it authorizes is through on-site visits. Site visits allow the authorizer to observe the school and engage in discussions with school management. VOA-MN conducts two different types of site visits: Formal and Informal.

- **Formal Site Visit-** Formal Site Visits are typically conducted once per year by a member of the VOA-MN Authorizing Program Leadership Team who interviews key stakeholders and conducts observations. Written feedback is provided to the Board of Directors and school leadership guided by the Site Visit Rubric. VOA-MN staff will provide formal written feedback summarizing observations. The feedback will identify areas of strength and areas that require improvement. If a more serious issue arises from a site visit, VOA-MN may implement an intervention based upon the “Range of Interventions” table.
- **Informal Site Visit-** VOA-MN may conduct informal site visits at any time to fulfill its duties as an authorizer. Reasons for informal site visits may include: investigation of a complaint, determination of readiness to open, follow up on implementation of improvement plans, or documentation of best practices. These visits are typically less formal and may be without notice.

### **BOARD MEETINGS**

Another important component of VOA-MN authorizer oversight is board meeting observations conducted at least twice per year and more often for schools within their first two years after initial charter approval. Authorizer VOA-MN uses the Board Meeting Observation Rubric and provides timely feedback to the school boards. VOA-MN also closely monitors the monthly board meeting minutes and financials of each authorized school and provides feedback to the school as needed.

### **SCHOOL PUBLISHED ANNUAL REPORTS**

The Charter School Law (Minn. Stat. 124E.16) includes requirements for a charter school annual report. Additionally, VOA-MN requires that annual reports include specific elements defined by VOA-MN annually. VOA-MN required elements include how the school is performing based on the three essential questions: Is the student learning program a success? Does the school exhibit strong financial health? Is the organization effective and well-run? The final draft be board approved and posted to the school’s official website. The VOA-MN Annual Report criteria may contain the Comprehensive Achievement and Civic Readiness Report.

### **AUTHORIZER PUBLISHED SCHOOL PERFORMANCE REPORTS**

In addition to the Formal Site Visit Report that each school is provided, VOA-MN will also annually publish three VOA-MN Charter School Network Reports: Academic Performance, Board Governance, and Financial Management. Each school also receives a VOA-MN Annual School Scorecards that measures the extent to which the school is meeting VOA-MN performance standards and “on-track” for renewal. The cumulative purpose of these reports is to assess the ongoing performance of VOA-MN authorized schools regarding academic success, financial sustainability, and organizational effectiveness. The combination of school performance based on the three VOA-MN Annual School Performance Reports / Scorecards, annual Formal Site Visit Reports, informal site visit observations, authorizer observations of board meetings, and ongoing monitoring of school reporting and compliance provides an accountable oversight mechanism for the authorizer, schools, and other organizations. This collective body of evidence will also form the basis for contract renewal decisions.

### **ANNUAL VOA-MN SUBMISSION CALENDAR**

The authorizer will publish an “Annual Submission Calendar” no later than July 1<sup>st</sup> annually. The Annual Submission Calendar is a document that contains deadlines for various submissions required by the state and/or authorizer VOA-MN and serves as a primary source for evidence of school compliance with statute and VOA-MN standards. The authorizer monitors school compliance with submission calendar deadlines.

## Charter School Contract Renewal and Revocation Process

### Renewal Process

Volunteers of America-Minnesota (VOA-MN) views contract renewal as an on-going process that is engaged in by the Board of Directors, school leadership, and the authorizer throughout the entire life of the school's contract with its authorizer. This process culminates in the authorizer publishing an end of contract evaluation report.

### End-of-Term Evaluation

VOA-MN publishes an end-of-contract evaluation report based on information, observations and documentation accumulated throughout the length of the contract. The evaluation is an opportunity to determine the extent to which the school is meeting VOA-MN's expectations of a high-quality charter school. More specifically, we assess the school based on the following three central questions:

- 1) Is the student learning program a success? (Academic Performance)
- 2) Does the school exhibit strong financial health? (Financial Management)
- 3) Is the organization effective and well-run? (Board Governance, Management and Operations, Compliance)

We quantify the school's progress in each area (academic performance, governance, financial management / health, and management/operations) using the system described in B.I. (Rating Scale and Weighting of Performance Measures).

VOA-MN will complete a draft of its end-of-term evaluation of the school and submit the draft for review and comment by school leadership and the board. VOA-MN will then make changes, if necessary, and resubmit a final evaluation and decision of renewal to the school's board. Through ongoing monitoring and the renewal evaluation process, VOA-MN determines whether to renew its contract with the charter school and if so, for what length of time. Contracts can be renewed for up to five years.

### Termination or Nonrenewal of a Contract

Consistent with Minn. Stat. 124E.10, Subd.4(b), VOA-MN may act to terminate or not renew a charter under the following grounds:

- (1) failure to meet the requirements for pupil performance contained in the contract;*
- (2) failure to meet generally accepted standards of fiscal management;*
- (3) violations of law; or*
- (4) other good cause shown.*

At least 60 days before not renewing or terminating a contract, the authorizer shall notify the board of directors of the charter school of the proposed action in writing. The notice shall state the grounds for the proposed action in reasonable detail and that the charter school's board of directors may request in writing an informal hearing before the authorizer within 15 business days of receiving notice of nonrenewal or termination of the contract. Failure by the board of directors to make a written request for a hearing within the 15-business-day period shall be treated as acquiescence to the proposed action. Upon receiving a timely written request for a hearing, the authorizer shall give ten business days' notice to the charter school's board of directors of the hearing date. The authorizer shall conduct an informal hearing before taking final action. The authorizer shall take final action to renew or not renew a contract no later than 20 business days before the proposed date for terminating the contract or the end date of the contract.

## **TREKNORTH JUNIOR & SENIOR HIGH SCHOOL EVALUATION PUBLISHED WINTER 2024**

### **Volunteers of America of Minnesota Accountability Plan**

According to Minnesota Statute 124E.01, subd.1, *The primary purpose of charter schools is to improve all pupil learning and all student achievement.* VOA-MN holds the schools it authorizes accountable in five major areas: academic performance, fiscal management, board governance, management and operations, and legal compliance. Each area may have multiple indicators of success and the charter school's performance on each indicator will be rated.

### **Rating Scale: For each standard, a school earns points for contract renewal as follows:**

2 = Meets Standard  
1 = Partially Meets Standard  
0 = Does Not Meet Standard

### **Weighting of Performance Measures used during the contract renewal process is as follows:**

50% weighting: Academic Program (statutory purposes, including primary purpose)  
15% weighting: Financial Sustainability  
30% weighting: Organization  
15% governance  
15% management & compliance

### **Combining Data Over the Contract Term**

Annual school performance results will be combined each successive year of the contract term wherever possible so that fluctuation due to small group size will be minimized and overall performance is accurately reflected.

### **Contract Renewal Eligibility**

VOA-MN schools must achieve at least a Satisfactory Rating (70% of points possible) in the Performance Framework overall and meet the majority of standards in each performance area (Academic, Financial, Organizational Performance) to be eligible for a three-year contract renewal and at least an Exemplary Rating (80% of points possible) in the Performance Framework overall and meet the majority of standards in each performance area to be eligible for a five-year contract renewal. All contract renewals will be for either three or five years. Fewer than three years does not provide enough information on which to make a renewal decision.

Renewal contract length is based on an average of school's performance over the term of the contract. Renewal decisions for a three-year or five-year contract term will be based on two and four fiscal years of data respectively.

If a school is performing below standard to receive a three-year renewal contract but has agreed to the authorizer terms and conditions set forth in the School Improvement Plan to correct areas of deficiency, VOA-MN may agree to extend a school's contract (not to exceed five years) to provide additional time for a school to improve performance as an alternative to termination. If sufficient school improvement is not being made by the end of the 1st year of the extension, termination proceedings will commence.

### **Three essential questions guide our VOA-MN authorizer oversight and charter school accountability plan.**

- **Academic Program Performance** - Is the school's Learning Program a Success?
- **Financial Sustainability** – Does the School Exhibit Strong Financial Health?
- **Board Governance & Management/Operations** - Is the organization effective and well run?

In addition to VOA-MN defined “performance standards,” a charter school must also be meeting their statutory purposes which are measured as part of Academic Performance Oversight.

## **SECTION ONE**

### **Academic Program Performance - Is the school's Learning Program a Success?**

Academic Performance- All public schools, including charters, must fully participate in the state assessments - Minnesota Comprehensive Assessments. Data from state assessments as well as Title 1 Designation consistent with the state North Star system will be compiled and evaluated in the Annual VOA-MN Authorized Charter Schools Academic Performance Report by the authorizer. Charter schools are required to meet the academic performance standards for which they agree to be held accountable in their charter contract. The extent to which a school is meeting their World's Best Workforce requirements and additional statutory purposes are also measured in the Learning program section.

The VOA-MN Charter School Authorizing Program publishes annually an Academic Performance Report on their network of authorized charter schools. The report serves as a single annual source of academic program and performance information for all of our VOA-MN operational charter schools. The report contains an analysis of annual and cumulative academic program, performance, and professional development data for each school.

Content from the annual Academic Performance Report also serves as the basis for the school academic performance analysis contained in the statutorily required Contract Renewal Evaluation Reports, including evaluation of the extent to which the school has met their primary purpose, “to improve all pupil learning and all student achievement” during the contract term.

The VOA-MN determined academic performance standards contained below are uniform for all VOA-MN charter schools. The standards are contained in VOA-MN Charter Contract Addendum B (School Accountability and Authorizer Oversight System) and serve as the basis for both annual authorizer monitoring of school academic performance and contract renewal determinations. The authorizer reserves the right to have flexibility to reasonably amend these standards /expectations as needed (example: based on cell size being too small). One sample rating scale is imbedded below to provide the reader with context.

VOA-MN's academic performance standards/expectations are scored below.

### **SCHOOL STATUTORY PURPOSES:**

- **SCHOOL PRIMARY PURPOSE (M.S. 124E.01):** The primary purpose of the charter school is to improve all pupil learning and all student achievement.

MEASURE: MCA exams

PERFORMANCE STANDARDS / EXPECTATIONS: Academic Performance Standards section below.

REPORTING: The extent to which the school is meeting this purpose will also be measured in the VOAMN Annual Network Academic Performance Report.

- **SCHOOL STATUTORY PURPOSE II (MS 124E.01):** Increase learning opportunities for all pupils.

PERFORMANCE EXPECTATIONS – The school will incorporate project-based and services learning into the school program. Project-based and service learning will include locally determined specific learning outcomes students are to achieve.

REPORTING: The extent to which the school is meeting this purpose will also be measured in the VOAMN Annual Network Academic Performance Report.

- ADDITIONAL PURPOSE (M.S. 120B.11) WBWF:** The school is to meet the outcomes adopted by the Commissioner for all public school students under Minnesota Statutes, section 120B.11 (“World’s Best Workforce”), applicable to elementary schools. Specifically, that 1) all racial and economic achievement gaps between students are closed; 2) all children are ready for school, 3) all third-graders can read at grade level.  
**GOALS:** locally determined, board approved annually for each of the outcomes.  
**REPORTING:** Element of the Annual Report and “World’s Best Workforce” Plan and will be evaluated in the annual Authorizer Network Academic Performance Report.

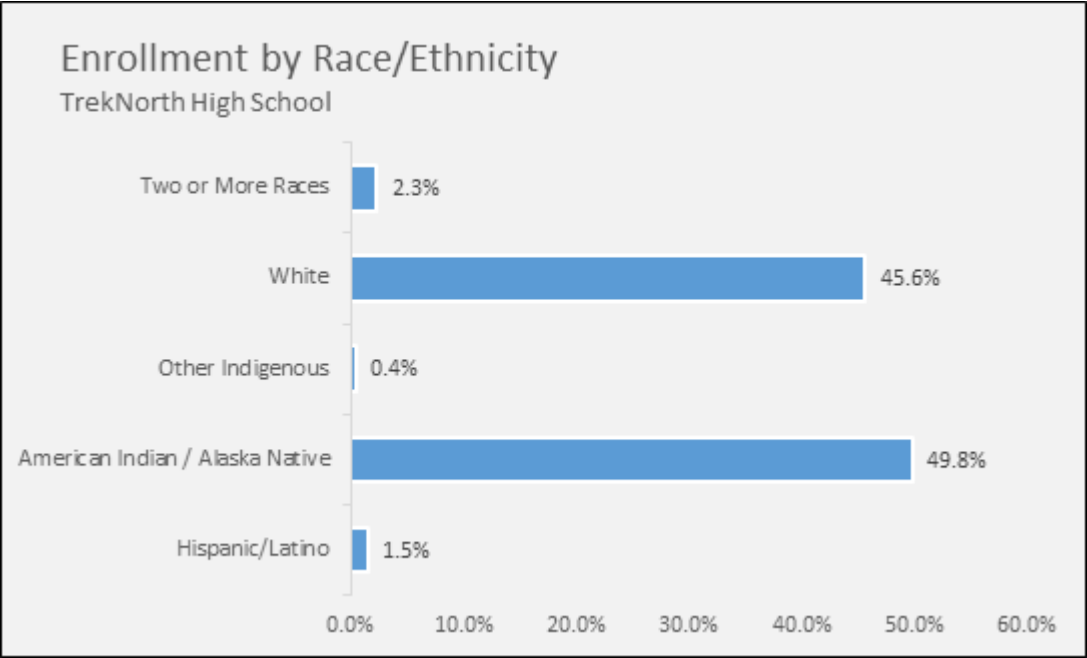

Figure 1 – Enrollment by Race/Ethnicity (Federal Definition)

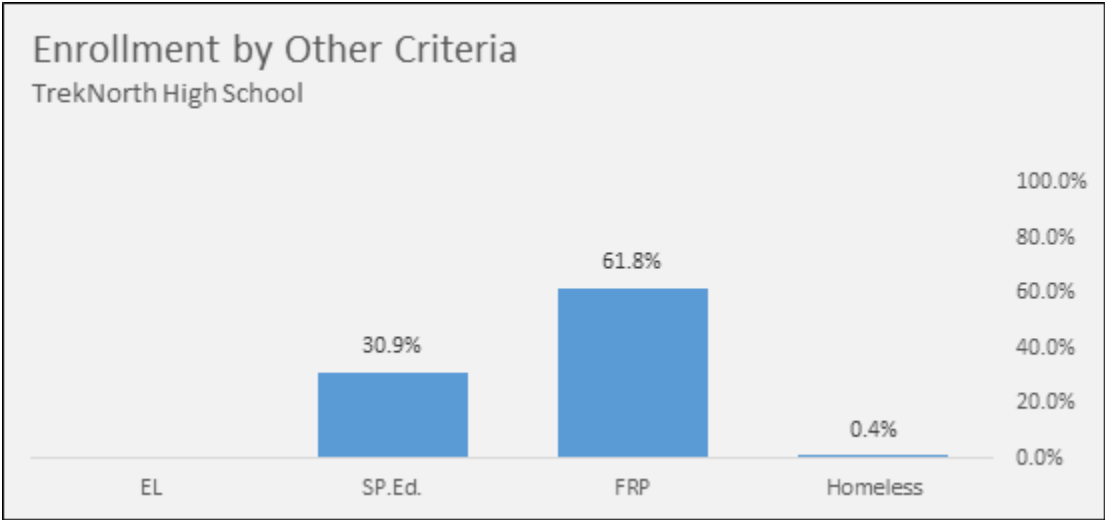

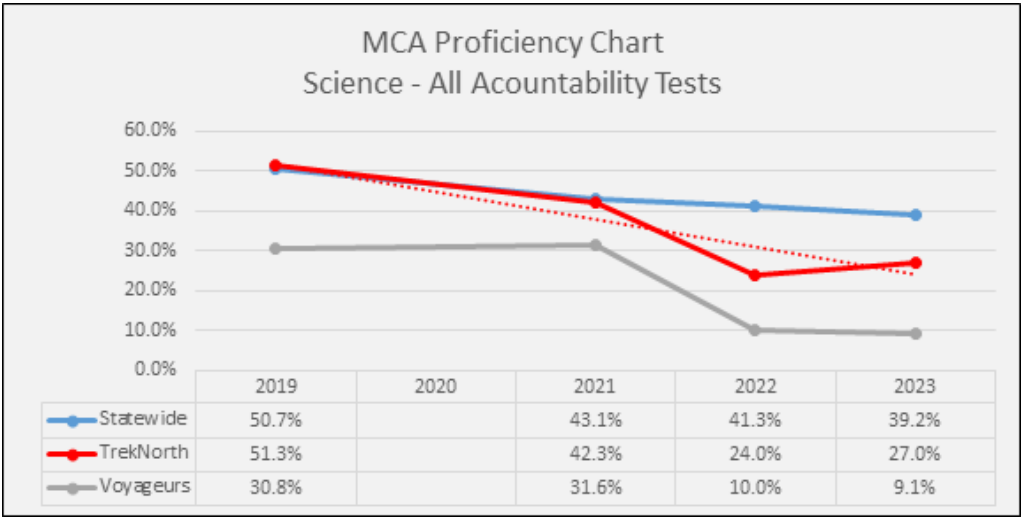

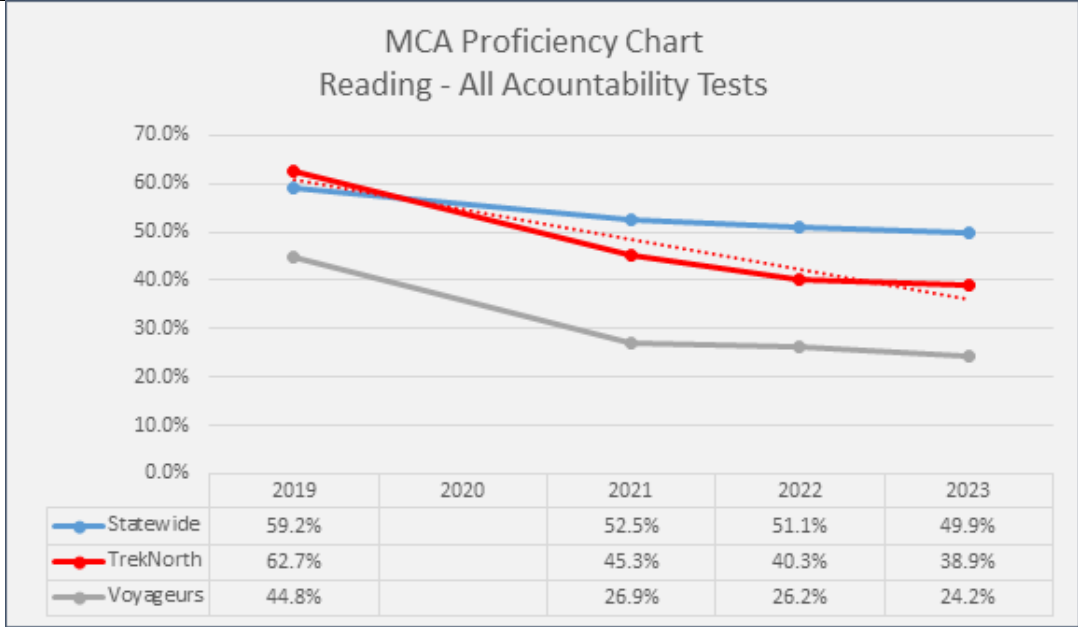

Figure 2 - Enrollment by Other Criteria

<b>Academic Performance Standard 1</b> - Students are performing well on state examinations in comparison to students at schools they might otherwise attend (with similar demographics) as evidence of meeting their primary statutory purpose of improving all pupil learning and all student achievement. Imbedded WBWF. A school may also use a nationally normed exam as a supplemental indicator.	
	<b>2: Meets</b> - School’s average proficiency rate exceeds the average performance of students in schools they might otherwise attend.
X	<b>1: Partially Meets</b> - School’s average proficiency rate meets or exceeds the average performance of students in schools they might otherwise attend in one or two subjects (math, reading and science) but not all three.

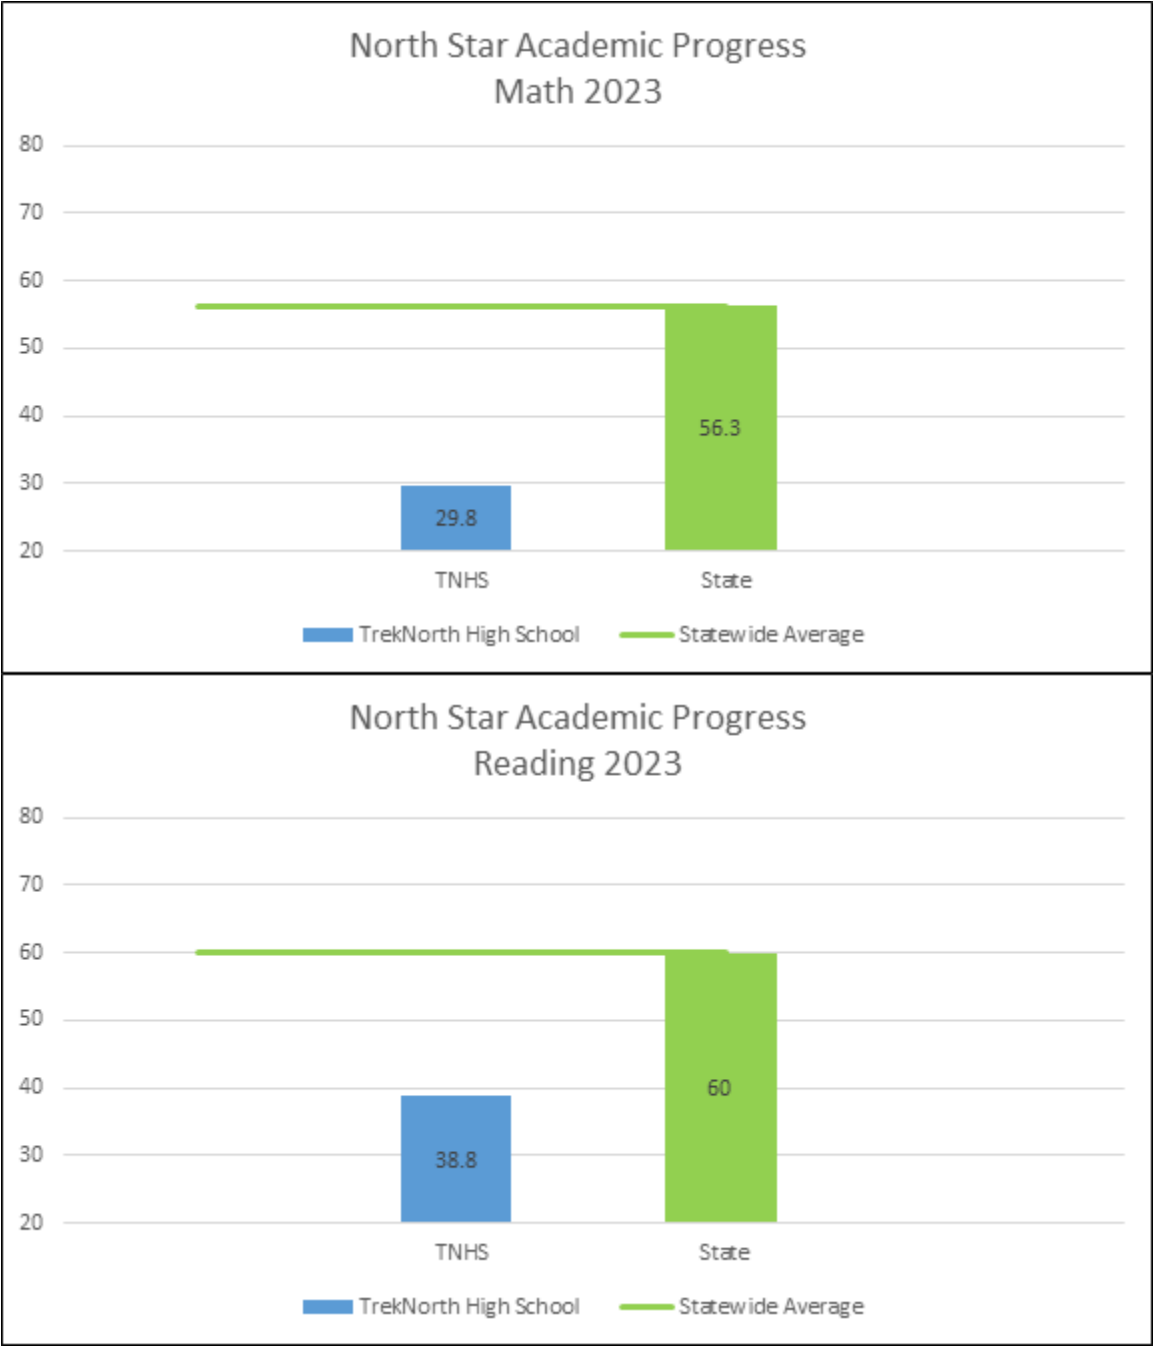

**0: Does Not Meet** - School’s average proficiency rate is less than the average performance of students in schools they might otherwise attend.

**Data Source:** Minnesota Department of Education

**Analysis:** TNHS is outperforming the comparison school, Voyageurs Expeditionary School in reading and science.

<b>Academic Performance Standard 2</b> - Over the term of the contract, the school will maintain a combined average state-determined minimum achievement level of (Increased + Maintained) as evidence of meeting their primary statutory purpose of improving all pupil learning and all student achievement. (In 2023, the combined statewide average (math + reading) was 58.2%. This score was calculated by adding the statewide math and reading results and then dividing by two.)	
	<b>2: Meets</b> - School's achievement level of "increased and maintained" is 58.2% or higher.
	<b>1: Partially Meets</b> - School's achievement level of "increased and maintained" is between 58.2% and 43.2%.
<b>X</b>	<b>0: Does Not Meet</b> - School's achievement level of "increased and maintained" is below 43.2%.
<b>Data Source:</b> North Star Academic Progress. A school may also use a nationally normed exam as a supplemental indicator.	
<b>Analysis:</b> The school's academic achievement level (improved + maintained) was 29.8% for math and 38.8% for reading. A score of does not meet was awarded because the school's combined score was 34.3%.	

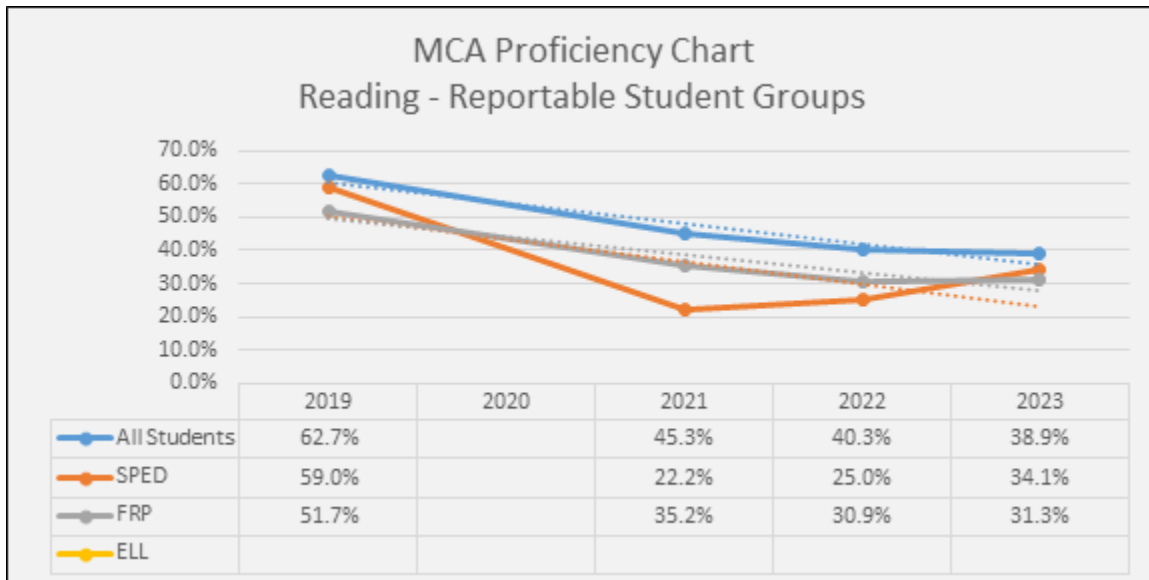

**Academic Performance Standard 3** - The difference between the “all-students” proficiency rate in the School and any reportable student group proficiency rate will be reduced over the term of the contract in both reading and math using state examination data as evidence of the School meeting their primary statutory purpose of improving all pupil learning and all student achievement. Imbedded WBWF Standard: all racial and economic achievement gaps between students are closed.

	<b>2: Meets</b> - The difference between the “all-students” proficiency rate and all student group proficiency rates has been reduced.
<b>X</b>	<b>1: Partially Meets</b> - The difference between the “all-students” proficiency rate and at least one student group proficiency rate has been reduced.
	<b>0: Does Not Meet</b> - The difference between the “all-students” proficiency rate and all reportable student group proficiency rates has increased.

**Data Source:** Minnesota Department of Education. A school may also use a nationally normed exam as a supplemental indicator.

**Analysis:** A score of partially meets was awarded because the achievement gap was reduced in three out the four reportable subgroups.

**Academic Performance Standard 4** - The school has adopted a formal teacher evaluation process and adheres to the requirements set forth in Minnesota Statute 122A.40.

<b>X</b>	<b>2: Meets</b> - Meets all criteria and is adhered to.
	<b>1: Partially Meets</b> - Meets some of the criteria, but no evidence that process is followed.

	<b>0: Does Not Meet</b> - School has not adopted a teacher evaluation process.
<b>Data Source:</b> School Annual Report	
<b>Analysis:</b> TNHS has developed a rigorous, effective, practical, and mission-driven approach to teacher evaluation. The school's teacher evaluation process is composed of four components. A formative assessment of teaching performance that takes advantage of the school's pop-in coaching system, a summative assessment of teaching performance conducted by the Executive Director, the development of a professional development plan by each teacher, as well as participation in professional learning communities.	

<b>Academic Performance Standard 5</b> - All teachers are supported through a school-wide professional development plan that is based on analysis of assessment data and directly linked to improving all pupil learning and all student achievement.	
<b>X</b>	<b>2: Meets</b> - The school has adopted and followed a school-wide, data-driven professional development plan.
	<b>1: Partially Meets</b> - The school has a school-wide professional development plan, but the reviewer could not conclude that the plan was tied to data-driven decision-making.
	<b>0: Does Not Meet</b> - The school has not adopted a school-wide professional development plan.
<b>Data Source:</b> School Annual Report	
<b>Analysis:</b> TNHS has implemented a school-wide professional development plan that is in direct correlation with trends in staff development needs as learned through the evaluation process. Professional development that was provided or attended during the 2022-2023 school year includes but was not limited to the following: crisis management and school safety, data privacy, mental health, reading instruction, cultural competency training, and PBIS training.	

<b>Academic Performance Standard 6</b> - The school is meeting their additional statutory purposes (MS 124E.01, Subd 1; Charter Contract Addendum B).	
<b>X</b>	<b>2: Meets</b> - The school has a plan and is meeting their additional statutory purposes.
	<b>1: Partially Meets</b> - The school has a plan for meeting their additional statutory purposes and is partially meeting them.
	<b>0: Does Not Meet</b> - The school does not have a plan for meeting their additional statutory purposes and measuring progress.
<b>Data Source:</b> School Annual Report	
<b>Analysis:</b> In addition to its rigorous academic program, TNHS has increased learning opportunities for all students through an experiential education program and an advisory program. The school's experiential education program provides both service-learning experiences and outdoor adventure programs for students. The school's advisory program, consisting of small groups of multi-age students, has the goal of creating a connection to the school community, ensuring student academic success, and ensuring seniors are on track to graduate.	

<b>Academic Performance Standard 7</b> - The school is meeting the World's Best Workforce goals (MS 120B.11; Charter Contract Addendum B). Refer to VOA Standard #3 for Achievement Gap goals.	
	<b>2: Meets</b> - The school has a plan and is meeting their WBWF goals.
<b>X</b>	<b>1: Partially Meets</b> - The school has a plan for meeting their WBWF goals and measuring progress.
	<b>0: Does Not Meet</b> - The school does not have a plan for meeting their WBWF goals and measuring progress.
<b>Data Source:</b> School Annual Report	
<b>Analysis:</b>

**SECTION TWO****FINANCIAL SUSTAINABILITY – Does the School Exhibit Strong Financial Health?**

Charter schools receive public funds and must meet generally accepted standards of fiscal management. It is VOA-MN's duty to ensure that the schools are responsible stewards of public funds. The charter school shall provide VOA with a copy of its draft and final annual budgets and monthly cash flow projections for each fiscal year by July 1 of each fiscal year. VOA-MN shall use submitted budget and cash flow statements, along with any other relevant information, to determine if the charter school has a realistic balanced budget plan for the current year. VOA-MN shall use the financial statements presented in the charter school's annual financial audit, along with any other relevant information, to determine if the charter school maintained a balanced budget during the prior-year. Schools are expected to have audits that are free of all findings.

The VOA-MN Charter School Authorizing Program publishes annually a School Financial Oversight Report on their network of authorized charter schools. The parties acknowledge that the Minnesota Charter Schools Law requires a charter school to meet generally accepted standards of fiscal management. This requirement has two underlying purposes: to monitor the financial health of the school and compliance with state and federal laws, including proper use of public funds. The report will contain an evaluation of school performance meeting the VOA-MN financial standards.

The VOA-MN determined school financial standards contained below are uniform for all VOA-MN charter schools. The standards are contained in VOA-MN Charter Contract Addendum B (School Accountability and Authorizer Oversight System) and serve as the basis for both annual authorizer monitoring of school financial health and contract renewal determinations. The authorizer will monitor school performance meeting these standards on an ongoing basis and the standards will be evaluated in the annual VOA-MN Network Finance Report. The standards also serve as the criteria for contract renewal determinations. The authorizer reserves the right to have flexibility to reasonably amend these standards /expectations as needed (example: fund balance standard may be negotiated based on school length of operation or size). One sample rating scale is imbedded below to provide the reader with context.

## SECTION THREE

### SCHOOL BOARD GOVERNANCE & OPERATIONS - Is the organization effective and well run?

## ○ PART ONE: SCHOOL BOARD GOVERNANCE

Effective board governance is essential to the successful start-up and operation of a public charter school. The diversity of charter school board memberships – teachers, parents, community leaders, and volunteers – heightens the importance of consistent expectations and development activities.

The authorizer regularly monitors the performance quality of the school board based on authorizer observations; interviews with the director, board and faculty; and the review of school policies, reports and board meeting minutes. A school must have a governance model that provides quality oversight by ensuring that there are checks and balances between the board and the school administrators.

A school board is responsible for developing, implementing, and assessing policy; defining sound employee relations; conducting open meetings; recognizing and conforming to the legal mandates imposed by state and federal laws; and governing within the limits of a delegation of state authority – as a nonprofit and public-school board. Additionally, the board has an obligation to assess its successes and failures; inform the public of all deliberations and decisions; promote accountability; enhance public understanding of its mission; conform to standards of ethical behavior; provide a framework for setting goals; and develop strategic plans for the accomplishment of those goals.

The VOA-MN Charter School Authorizing Program publishes annually a School Board Governance Report on their network of authorized charter schools. The purpose of this report is to be a single annual source on the board operations and compliance of the nineteen VOA-MN- authorized charter schools. Authorizer VOA-MN also observes a minimum of two school board meetings annually.

The VOA-MN determined school board governance standards contained below are uniform for all VOA-MN charter schools. The standards are contained in VOA-MN Charter Contract Addendum B (School Accountability and Authorizer Oversight System) and serve as the basis for both annual authorizer monitoring of school board performance and contract renewal determinations. The authorizer will monitor school performance meeting these standards on an ongoing basis and the standards will be evaluated in the annual VOA-MN Network Governance Report. The standards also serve as the criteria for contract renewal determinations.

Brief description of school Child Find/Study Process: Either the school staff or a parent has a concern about a student's progress. The teacher contacts parents to discuss concerns and identify plans for improvement. If concern persists, email the name of the student and a description of the concern to the intervention team. Intervention team collects 360 data, the intervention team meets to discuss possible interventions, and the team communicates intervention to parents and teachers. If interventions are not successful, then the intervention team may refer a student to the child study team. Child study team reviews data to determine possible interventions. Try intervention #1 for 2 weeks, if that intervention is not successful, try a 2nd intervention for 2 weeks. If the desired intervention results are not obtained, then a student is referred for either the 504 process or the special education evaluation process starts.

Child Study Team Members: SPED Director/Assistant Director, School Counselor/ Social Worker, Interventionist, 3-4 teachers.
