

HYBRID INFORMATION FOR 2021-2022

VOA High School has a HYBRID Schedule this year!

*This means students attend in-person classes on Monday, Wednesday and Thursday.
Virtual Classroom days are Tuesdays and Fridays.*

VOA High School has defined how students can be successful with HYBRID learning:

- New students attend orientation to learn about student supports, digital tools, and the class schedule. Already enrolled students visit their Focus Google Classroom to learn about supports, digital tools and how to connect with technology support at VOA.
- Communicate right away with class teachers via phone, text, Google Meets, and/or Odysseyware messaging if you need additional support or have questions
- Complete class assignments
- Attend all required class meetings on virtual days
- Notify your Focus teacher if your laptop or internet is not working
- Call the school office if you will not be at school, **EVEN ON VIRTUAL DAYS**
